## Small Discussion Groups

An hour and 15 minutes of the conference program has been set aside for small group discussions on Friday morning. Each group has been pre-assigned a leader who will moderate the discussion and report back to the group during the Sounding Board. (A scribe will be appointed at the beginning of the discussion period.) Please note your first and second choice for topics.

- Cataloging digital data, Web content, and databases.
- GIS services in libraries.
- Digitization projects (maps, indices, aerial photos).
- Map library instruction.
- Archiving geospatial information.
- Continuing education for map librarians.
