Joining Forces
Book Arts in Collaboration

Kitty Maryatt & Sammy Lee
Thurs 28 Feb 2013, 7pm

Norlin Library 5th Floor
Center for British and Irish Studies
For more information: Deborah.Fink@colorado.edu

Kitty Maryatt and Sammy Lee collaboratively create artist's books...

Kitty works with students at the Scripps College Press (Claremont, CA) to create limited edition letterpress books over the course of a semester. Her own work influences and is influenced by those projects.

Sammy creates sculptural book works in collaboration with South Korean artists. Reflecting their philosophies and artistic processes as well as her own, the synergy results in art that both crosses and respects creative boundaries.

Exhibits on display
December 5, 2012 – March 8, 2013:
Norlin West Lobby: "Artist’s Books by Sammy Seung-min Lee of Studio SML | k"
