## Bibles in Special Collections

*Compiled by Elizabeth Newsom, November 2008*

The following is a list of the Bibles and Books of the Bible held in the Special Collections Department of Norlin Library. The list is substantially complete, but not definitive.

Individual bible leaves are not included, but can be found in the Guide to the Medieval Manuscripts. Commentaries, selections, picture books (except Biblia Pauperum and other picture bibles) and stories from the Bible are not included.

Books are organized alphabetically by language, and chronologically within language. Facsimiles are under the date of the original piece. Dual-language books are entered under both languages. The contents of our Polyglot Bible are listed together at the end of this bibliography.
