TOP DRAWER SOCIETY
Honoring the Past -:- Building the Future

The foundation has been laid for a 21st century intellectual commons on the CU-Boulder campus — richly diverse collections, state-of-the-art access, and a pre-eminent professional staff. The next step, building upon our strong foundation, cannot be achieved with traditional budgets alone. With your added support, we can build a top-drawer library of the future.

The University Libraries are proud to sponsor the Top Drawer Society, whose gifts support and sustain the resources, facilities, programs, and services of the Libraries. To join the Society, participants make a tax-deductible contribution of $10,000 or more to the Top Drawer Society Fund. Donors are honored with a permanent, engraved name plate on one of the card catalog drawers, honorary panels, or slate tiles on the Top Drawer Society’s signature sculpture located in the east lobby of Norlin Library. Engraved plaques may be used in a variety of ways, such as honoring a student, remembering a family member, or commemorating an event. Participants are invited to suggest the inscription (see dimensions on reverse). An image of the Top Drawer Society sculpture will also be used to designate named spaces throughout the library system.

Payment of all contributions may be made in full, or over a maximum of four years. Installation of the plaque takes place upon (1) receipt of the first payment, and (2) signing a binding pledge agreement (if paid by installments). The Libraries will encourage participants to endow all or part of their contribution to the Society. In addition to those funds that are not endowed, the Society’s endowed gifts will provide funds in perpetuity for the Libraries and become the foundation upon which the Libraries maintain their excellence.

The Society also encourages gifts-in-kind, e.g., collections, corporate donations of software and equipment, etc., at an appraised value of $10,000 or more.

Benefits of membership in the Top Drawer Society include corresponding membership in the Chancellor’s Society or the President’s Club (pending giving level), invitations to exclusive events of the Dean and the Friends of the Libraries, a complimentary subscription to the campus literary magazine (divide), specified library privileges, and a variety of memorabilia from the Libraries.
